SPOTLIGHT

Health & Sports Week

What a fantastic week of sports and fitness we have had at Castlechurch!

The children have taken part in a whole host of sporting and fitness activities including:

- Beat the Goalie
- Obstacle course races
- Circuits
- Just Dance
- Skipping
- Dodgeball
- Meditation
- Yoga
- Team Games

All of the children have followed our three school rules of being safe, respectful and ready. Despite the heat, everyone put in great efforts in all of the activities. Well done Castlechurch, you have made us really proud!

Please see our Twitter feed: @castlechurchps for lots more tweets and photos of our amazing week.

Sports Day

Unfortunately, the weather was not on our side on Tuesday for our scheduled Sport's Day at Rowley Park Stadium.

We are pleased to announce that we have rearranged the Sport's Day to **TUESDAY 18th JULY.**

We will be holding it **IN SCHOOL** within phases throughout the day. The timings for this are as follows:

9.00 -10.15: Key Stage 1 – Maple, Willow and Hazel Classes

10:45 – 12:00: Lower Key Stage Two – Beech, Pine and Rowan Classes

1.30 – 3:00: Upper Key Stage Two – Ash and Elm Classes

Parents/carers are welcome to attend. We ask that you arrive via the front entrance (the office) and we will let you out from the top gate (Milton Grove) at the end of each phase activities. All children are to wear Castlechurch or plain black PE kit on this day.

NSPCC have partnered with Ambitious about Autism to bring online safety tips, advice and activities specifically for parents and carers of children with SEND. Parents may find letting their child go online to be intimidating; they might be worried about the different spaces their child explores, the people they meet digitally and the potential for things to go wrong. Being online can be positive for children and young people, including those with additional needs. So much of our communication now happens online, either by messages, in a game or through a video call. Sometimes online platforms like the apps, social media sites and games children accesses can help them connect and make friends with new people that they might not know offline.

As a parent or carer, you play an important role in helping your child to have positive experiences online. If your child has additional needs, then this role can be even more important, and it can feel like a lot of responsibility when you hear about some of the risks young people face online. Please click on the link for online safety tips, advice and activities to help keep your child safe online
