Clubs

We have some fantastic events still to come over the last couple of weeks of school.

With this in mind, this week was the last week for all clubs.

It has been brilliant to see how many of our young children have taken the opportunity to join all of our clubs that have been on offer this year.

We will be working with our school leadership teams to discuss what clubs children would like moving forward.

Thank you to the staff for giving up their time to do a club each term and for your support at home.

Mrs Roberts.

SPOTLIGHT

Careers Day

We have had an amazing careers assembly today. We want to inspire our children to think about their future jobs and that they can be whatever they want to be. We had a marine commando, an ambulance technician, a firefighter, a police drone operator, NHS nurses, a pharmacist, a solicitor, a representative from the Ministry of defence, a prison officer, RAF, swimming instructor and an apprentice from JCB. The event was so exciting and the children really enjoyed learning about the different jobs. Thank you so much to everyone who gave up their time to help us today. And of course to the wonderful Mrs Cranwell for organising it all!

School's out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games.
