

Castlechurch Computing Vocabulary

KS1	LKS2	UKS2
Action	Accurate	Alter
Algorithm	Algorithm	Algorithm
Appropriate/inappropriate sites	Attribute	Animation
Attribute	Background	Articulate solutions
Backward	Blogs	Attribute
Bug	Browser	Blogs
Coding	Bug	Browsers
Code	Bullet points	Change inputs
Code snippet	CEOPS	Code
Colour	Citizen	Code snippet
Command	Code	Command
Communicate	Code snippet	Complex
Computer	Command	Computer Game
Cyber Bullying	Computer	Computer
Data	Computer Network	Computer Network
Debug/ Debugging Rules	Computer system	Computer system
Digital footprint	Condition	Condition
Documents	Condition controlled loop	Condition controlled loop
Edit	Consequence	Control
Email	Control	Control mimics + devices
Font	Count- controlled loop	Count-controlled loop
Format	CTRL keys	Customise
Forward	Data	Data
information	Debug/Debugging	Debugging
Information technology	Decompose	Decompose
Input	Digital citizen	Different outputs
Insert	Digital device	Digital device
Internet	Domain name	Domain name
Instructions	Enhance	Edit
Online	Errors	Evaluation
Output	E-safety rules	Execute
Password	Execute	Explore procedures
Patterns	Frame	Formulae
Predict	Gaming	Function
Private information	Hardware	Gradual
Program	HTML (Hyper Text Markup Language)	Hardware HTML (Hyper Text Markup Language)
Property	Hyperlink	Hyperlink
Record	Infinite loop	Infinite loop
Repeat	information	information
Robots	Input	Informed choices
Rules	Input device	Input
Run	Layer	Input device
Save	Layout	Interact
Secure	Loop	Interactive
Sequence	Output	Internet
Shutdown	Output device	Loop
Size	Pattern	Output
SMART	Plagiarism	Output device

Sharing	Play	Manipulate
Technology	Polygon	Messaging
Text	Presentable	Network
Tool	Procedure	Network Cable
Upload	Process	Perspective
	Program	Playability
	Properties	Privacy seal
	Relevant	Procedure
	Repetition	Process
	Rotate	Program
	Router	Program writing
	Run	Programming language
	Secure passwords	Refine procedures
	Selection	Repetition
	Sever	Responsible online communication
	Software	Router
	Specific	Run
	Stored (data)	Selection
	Subroutine	Server
	Switch (network switch)	Screenshot
	Test + improve	Social media
	Timer	Software
	Timing	Stop motion
	URL (uniform Resource Locator)	Stored (data)
	Variable	Subroutine
	Web	Switch (network switch)
	Web address	Texture
	Web browser	URL (uniform Resource Locator)
	Web page	Variable
	Website	Virus threats
	Wifi	Web
	WAP (wireless Access Point)	Web address
	WWW (World Wide Web)	Web browser
		Web page
		Website
		Wifi
		WAP (wireless Access Point)
		WWW (World Wide Web)
