

What makes a good Artist?

To develop a broad knowledge and understanding of a range of famous artists, craft makers and designers.

To be able to draw confidently and adventurously from observation, memory and imagination.

To be able to reflect, talk about and improve my own work and that of others.

To develop knowledge and understanding of shape, pattern, colour texture and form to express emotions and individuality.

Intent

To develop children's experiences of Art, imagining, creating and exploring through different mediums.

To develop independence, initiative and originality which I can use to develop my own and others creativity.

To develop a passion, respect and enjoyment for Artwork.

To be able to select and use materials and techniques skilfully and inventively that are fit for purpose.
