A message from the Senior Leadership Team...

Thank you to everyone that attended Parents evenings, we hope you found them useful.

As part of our ongoing Health & Safety reviews, we have looked at our risk assessment for the car park. There are some difficulties when pedestrians and vehicles are using the car park at the same time. We have made the decision to close the car park gates during the school day (8:30am—3:30pm). We are encouraging pedestrians to use the first gate to access the school during the day. We will put up additional signage to promote this and send an arbor message as a reminder. Thank you in advance for your support.

We can't believe that next week is the last week—its flown by! Have a great weekend. Take care, from Team Castlechurch :)

Picture news

This week we have discussed a new BBC television programme, called Style It Out, gives nine young promising fashion designers from all over the UK the chance to compete in designing different outfits. The winner will have their clothes showcased at London Fashion Week. The main focuses of the challenge are creativity and sustainability, with the contestants having to use second-hand materials. As people's awareness of the impact of fast fashion increases, sustainable clothing is becoming more at the forefront of shoppers' minds. Is fashion important? When we need new clothes as our current ones no longer fit or we no longer need them, it's important to consider where they come from and their impact on the wider world.
