

Primary Physical Education and Sport Premium Funding Action Plan

Castlechurch Primary School 2023-2024

What is the PE and Sports Premium Funding?

The government is providing funding of over £450 million per annum for academic years 2013-2020 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for education, Health and Culture, Media and Sport and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

Purpose of funding

Schools have to spend the sport funding on improving provision of PE and sport but they will have the freedom to choose how they do this.

The vision for the Primary PE and Sport Premium: **ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**: To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

Key Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

Key Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement

Key Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport

Key Indicator 4: broader experience of a range of sports and activities offered to all pupils

Key Indicator 5: increased participation in competitive sport

Here at Castlechurch Primary School we value the difference physical education and sport can have on children's lives and we work hard to embrace all the opportunities we can to give pupils access to as many sporting experiences as possible. In addition to this we advocate and use the outdoor environment as much as possible to add value to the curriculum our pupils receive.

CASTLECHURCH PRIMARY SCHOOL
Primary Physical Education and Sport Funding Action Plan
2023-2024

Amount of Grant Received – Year 2023-24:
 PE & Sport Grant

£18280

Area of Focus	Evidence of need (Why we are doing it)	Action Plan	Who	Time Scale	Funding Breakdown	Impact and Evidence record
Key Indicator 1	the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school					
	Increase children's 60 minutes of physical activity	All staff to ensure the weekly mile is undertaken in PE lessons and the use of the trim trail is maximised to increase the activity of children	AN	Autumn 2023	£0	<p>Increase pupil engagement and involvement in activities within the school day.</p> <p>All children to take part in the weekly walk and maximise the use of trim trail.</p> <p>Class teachers will relaunch the weekly mile with their classes after half term.</p>
	To engage children in to different sports	Plan and deliver an active healthy sports week where connections to the local clubs are established	AN, JC T4S	Summer 2023	£200	Children's awareness and love of a range of sports is increased.

	To promote evaluation of the quality of composition in dance and gymnastic work through pupil recording of routines	Each class to have a lpad and robust case to record compositions Ipads to be able to playback on IWB so children can assess and evaluate	AN Evolve	Autumn 22	£5500	All children to become confident to assess and evaluate their own practice and composition and those of others
	To increase participation in PE	Staff to monitor non-participation and spot patterns.	AN Classroom teachers.	All year	£0	Report to AN is regular non-participation hANpens in their class. Support offered for the child and or family. Is kit a barrier? Health? – Focus for Healthy Lifestyle by T4S.
	To motivate children into being active for 60 minutes per day	Place 9 things to do on newsletter and homework menus to promote healthy living at home	All staff AN	Throughout the year	£0	Children and parents are aware of how to lead a healthier lifestyle outside of school.
	Development of lunchtime and curriculum activities to ensure pupils are more physically active.
