Consideration will also be given by the Board of Directors to:

- the proportion of the costs recovered where a charge is to be made;
- whether any remission is to extend beyond the statutory minimum;
- whether or not special consideration is to be given to hardship cases not contained within the exemptions and how this is to be determined;
- arrangements for education where the parents fail to pay the charge being levied by the school;
- the level of support from the school budget where the level of voluntary contributions is insufficient to fund the visit or journey;
- the maximum amount that can be used from the school's budget to support community facilities is the amount of the school standards grant allocation;
- any charge for a pupil activity should not exceed the actual cost. If further funds need to be raised to help in hardship cases, this must be voluntary
- for lettings, the charge should at least cover the cost, including: Services (heat & light)
 Staffing (security, caretaking & cleaning)
 Administration
 Wear & tear (sinking fund)

This will be agreed on an individual case basis.

Remissions

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

- a) Income Support;
- b) Income Based Jobseeker's Allowance;
- c) Income-related Employment and Support Allowance;

Where the school is in receipt of pupil premium funding for individual pupils those families will be supported by the school to ensure all children access the full range of curriculum and extra curriculum opportunities on offer, in order to support both the personal and academic development of pupils.
